

WARNING

Beware of ticket resellers or third-party websites

For all Théâtre du Casino Lac-Leamy performances the only official website (seller) for tickets is theatrecasino.ca (operated by ticketmaster.ca).

We never redirect customers to another website to purchase tickets.
If you purchased tickets on one of these sites, you did it on your own...
Then, your tickets may be counterfeit,
OR you may have paid much more than the retail price,
OR you may have been misled by their advertising of our shows.

Therefore, the Théâtre du Casino Lac-Leamy is not responsible for tickets purchased through any other means than our website or Box Office.

Just like other venues throughout Canada, we are receiving reports of tickets being purchased on third-party sites. There is a possibility these tickets are not valid OR if they are valid, then they were purchased by the third-party credit card, not yours.

- ✓ Doing a too much generic search on Google may bring you to the third-party websites as they are investing a lot of money to position themselves on the WWW (World Wide Web). Most of these engines are located outside Canada, so we have no control on them.

Here are indicators your tickets were not purchased on the Théâtre du Casino Lac-Leamy official website:

- ✓ Prices posted are higher than those found on theatrecasino.ca (or ticketmaster.ca)
- ✓ Prices posted are in US dollars (we **always** advertise in Canadian dollars)
- ✓ Rows are listed without seat numbers
- ✓ The name and/or description of our performances was modified and is different from the information on theatrecasino.ca
- ✓ The ticket you receive does not have your name on it

Protect yourself

- Only buy from the official ticket source, theatrecasino.ca (or ticketmaster.ca)
- Tickets can also be purchased in person at the Box Office or through our call centre at 1-877-977-7970.
